Coordinator and volunteers:

FPC relies heavily on coordinators and volunteers to provide meals for our guests at the shelter and provide transportation services, etc. However, one of the most valuable benefits you will receive by volunteering is to share your talent with the guests. The partnership allows them to learn new things and gives you the ability to spread love and humanity.

Our coordinators and volunteers provided 16 meals in the month of September to a family in the shelter. We had 12 volunteers at the golf tournament and 10 volunteers at the Greek festival. Thank you to all our volunteers!

Please contact us if you're interested in sharing your time, treasure or talent or if you have any questions.
